

Let it Snow

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow let it snow

LOW: When we finally kiss good-night
How I'll hate going out in the storm

HIGH: But if you really hold me tight
All the way home I'll be warm

The fire is slowly dying
And, my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snow

The fire is slowly dying
And my dear, we're still goodbying
But as long as you love me so

Let it snow, Let it snow, Let it snow	Let it snow, Let it snow, Let it snow is falling, wonderful snow
---	--

HIGH: We've no-where to go, and the fire's oh so warm,	LOW: Snow is falling, traveller's warning, snow is falling, just can't go,
--	---

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow let it snow

LOW: When we finally kiss good-night
How I'll hate going out in the storm

HIGH: But if you really hold me tight
All the way home I'll be warm

Merry Christmas Everyone

Oooo...

Snow is falling
All around me
Children playing
Having fun
It's the season
For love and understanding
Merry Christmas everyone

Time for parties and celebration
People dancing all night long
Time for presents
And exchanging kisses
Time for singing Christmas songs

**We're gonna have a party tonight
I'm gonna find that boy, underneath the
mistletoe
We'll kiss by candlelight**

Room is swaying, records playing
All the old songs, we love to hear
Oh I wish that everyday was Christmas
What a nice way to spend the year

Rocking around the Christmas Tree

4 bars

Rocking around the Christmas Tree
At the Christmas party hop
Mistletoe hung where you can see
Ev'ry couple tries to stop

Rocking around the Christmas Tree
Let the Christmas Spirit ring
Later we'll have some pumpkin pie
And we'll do some caroling

You will get a sentimental feeling
When you hear
Voices singing "Let's be jolly;
Deck the halls with boughs of holly"

Rocking around the Christmas Tree
Have a happy holiday
Everyone's dancing merrily
In the new old fashioned way

Instrumental break

You will get a sentimental feeling

White Christmas

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten
And children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white

I'm dreaming of a white Christmas *(ahhh)*
Just like the ones I used to know *(the ones*
I used to know-ow)
Where the treetops glisten
And children listen
To hear *(to hear the)* sleigh bells in the
snow

I'm dreaming of a white Christmas *(ahhh)*
With every Christmas card I write
May your days be merry and bright *(ooo)-*
And may all your Christmases be white

Last Christmas

**Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special x2**

Once bitten and twice shy
I keep my distance
But you still catch my eye
Tell me, baby, do you recognize me?
Well, it's been a year, it doesn't surprise me

Merry Christmas, I wrapped it up and sent it
With a note saying "I love you" and meant it
Now I know what a fool I've been
But if you kissed me now, I know you'd fool me
again

**Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special x2**

A crowded room
Friends with tired eyes
I'm hiding from you, and your soul of ice
My god, I thought you were someone to rely on
Me? I guess I was a shoulder to cry on

A face on a lover with a fire in her heart
A man under cover, but you tore me apart
Now I've found a real love you'll never fool me
again

**Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special x4**

Merry Xmas Everybody

4 bars

Are you hanging up a stocking on your wall?
It's the time that every Santa has a ball
Does he ride a red-nosed reindeer? Does a
ton-up on his sleigh? Do the fairies keep him
sober for a day?

**So here it is, Merry Christmas
Everybody's having fun
Look to the future now
It's only just begun**

Are you waiting for the family to arrive? Are
you sure you've got the room to spare inside?
Does your granny always tell ya
That the old songs are the best?
Then she's up and rock-'n'-rolling with the rest

**So here it is, Merry Christmas Everybody's
having fun
Look to the future now
It's only just begun**

What will your Daddy do when he sees your
Mama kissing Santa Claus? Ahhh-ahhh!
Are you hanging up a stocking on your wall?
Are you hoping that the snow will start to fall?
Do you ride on down the hillside In a buggy
you have made?
When you land upon your head then you've
been slayed

(Chorus x3:)

**So here it is, Merry Christmas Everybody's
having fun Look to the future now It's only
just begun**

Winter Wonderland

Sleigh bells ring, are you listening
In the lane snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song as we go along
Walking in a winter wonderland

In the meadow we can build a snowman
And pretend that he is Parson Brown
He'll say, "Are you married?" We'll say, "No
man"
But you can do the job when you're in town

Later on we'll conspire
As we dream by the fire
To face unafraid, the plans that we made
Walking in a winter wonderland

Instrumental break

But you can do the job when you're in town

To face unafraid all the plans that we made
Walking in a winter wonderland
Walking in a winter wonderland
Walking...in a winter...wonderland...

Have yourself a merry little Christmas

Have yourself a merry little Christmas,
Let your heart be light
From now on,
Our troubles will be out of sight

Have yourself a merry little Christmas,
Make the Yule-tide gay,
From now on,
Our troubles will be miles away.

Here we are as in olden days,
Happy golden days of yore.
Faithful friends who are dear to us
Gather near to us once more.

Through the years we all will be together
If the fates allow
Hang a shining star upon the highest bough.
And have yourself a merry little Christmas
now

8 bars

Once again as in olden days,
Happy golden days of yore.
Faithful friends who are dear to us
Gather near to us once more.

Through the years we all will be together
If the fates allow
Until then we'll have to muddle through,
somehow
And have yourself a merry little Christmas
now

Silent Night

Silent night
Holy night
All is calm
All is bright

Round yon virgin mother and child
Holy infant so tender and mild
Sleep in heavenly peace, sleep in heavenly
peace.

Silent night
(silent night)
Holy night
(holy night)
All is calm
(a-all is calm)
All is bright
(a-all is bright)

Round yon virgin mother and child
Holy infant so tender and mild
Sleep in heavenly peace, sleep in heavenly
peace.

Silent night
Holy night
Son of God
Love's pure light
Radiant beams from thy ho-oly face
With the dawn of re deeming grace
Jesus Lord at thy birth
Jesus Lord, at thy birth

(repeat verse 2)

Here Comes the Sun

**Here comes the sun (Doo-dn-doo-doo)
Here comes the sun, and I say, "It's
alright"**

Little darlin', it's been a long cold lonely
winter

Little darlin', it seems like years since it's
been here

**Here comes the sun (Doo-dn-doo-doo)
Here comes the sun, and I say, "It's
alright"**

Little darlin', the smiles returning to their
faces

Little darlin', it seems like years since it's
been here

**Here comes the sun (Doo-dn-doo-doo)
Here comes the sun, and I say, "It's
alright"**

Sun, sun, sun, here it comes **x5**

Little darlin', I feel that ice is slowly melting
Little darlin', it seems like years since it's
been clear

**Here comes the sun (Doo-dn-doo-doo)
Here comes the sun, and I say, "It's
alright" x2**

It's alright
