She's got a smile that it seems to me Reminds me of childhood memories Where everything was as fresh as the bright blue sky. Now and then when I see her face It takes me away to that special place And if I stare too long I'd prob'ly break down and cry. Over The Rainbow/Wonderful World

Oooh. (1. Oooh)
Oooh (1. Ooh Ooh)

Somewhere over the rainbow
Way up high
And the dreams that you dream of
Once in a lullaby. I, oh,

Somewhere over the rainbow
Bluebirds fly
And the dreams that you dream of
Dreams really do come true. Oooh

Some day I'll wish upon a star and wake up where the clouds are far behind me.
Where trouble melts like lemon drops, high above the chimney tops, it's where you'll find me, Oh,

Somewhere over the rainbow
Bluebirds fly
And the dreams that you dare to
Oh why then oh why can't I, I? Well I see

(Wonderful World)

Trees of green and red roses too
I'll watch them bloom for me and you
And I think to myself
What a wonderful world. Well I see

Skies of blue and I see clouds of white
The brightness of day, I like the dark
And I think to myself
What a wonderful world.

The colours of the rainbow, so pretty in the sky
Are also on the faces of people passing by
I see friends shaking hands saying "How do you do?"
They're really saying "I, I love you"

I hear babies cry, I watch them grow.
They'll learn much more than we'll know.
And I think to myself,
What a wonderful world. World!
