

Don't Give Up On Me

Andy Grammar arr. Shona Brown

1. I will fight
I will fight for you
I always do until my heart is black and blue

2+3. I will stay
I will stay for you
We'll make it to the other side
Like lovers do.

Pre-Chorus

1. I'll reach my hands out
1+2. In the dark
All. And wait for yours to interlock
I'll wait for you
I'll wait for you

Chorus - All

'Cause I'm not givin' up
I'm not givin' up givin' up no not yet
Even when I'm down to my last breath
Even when they say there's nothing left
So don't give up on
I'm not givin' up
I'm not givin' up givin' up no not me
Even when nobody else believes
That I'm not going down that easily
So don't give up on me.

1. And I will hold
I'll hold on to you
No matter what this world will throw
It won't shake me loose

Pre-Chorus

Christmas Lights

2: Christmas night, another fight
Tears we cried a flood
Got all kinds of poison in, of poison in my blood

All: Took my feet to Oxford Street
Tryin' to right a wrong
Just walk away those windows say
But I can't believe she's gone

2: When you're still waiting for the snow to fall
All: It doesn't really feel like Christmas at all

Doo doo doo x3
Doo
Doo doo doo x3
Doo

1: Up above candles on air flicker
All: Oh they flicker and they float
But I'm up here holding on to all those chandeliers of hope
1: Like some drunken Elvis singing
2: I go singing out of tune, Saying how -
All: I always loved you darling, and I always will

2: Oh when you're still waiting for the snow to fall
All: It doesn't really feel like Christmas at all
2: You're still waiting for the snow to fall
All: It doesn't really feel like Christmas at all

Doo doo doo x3
Doo
Doo doo doo x2
Doo

**Those Christmas lights light up the street
Down where the sea and city meet
May all your troubles soon be gone
Oh Christmas lights keep shining on**

**Those Christmas lights light up the street
Maybe they'll bring her back to me
Then all my troubles will be gone
Oh Christmas lights keep shining on**

P1: Whoh
P2: Whoh

**Oh Christmas lights light up the street
Light up the fireworks in me
May all your troubles soon be gone
Oh Christmas lights, keep shining on.**

If we make it through December (Merle Haggard)

If we make it through December
Everything's gonna be all right I know
It's the coldest time of winter
And I shiver when I see the falling snow

If we make it through December (oooo....)
Got plans to be in a warmer town come summer time
Maybe even California
If we make it through December we'll be fine

Got laid off down at the factory (Got laid off down at the factoryyyyy...)
And their timing's not the greatest in the world (in the world)
Heaven knows I been workin' hard (workin' hard)

And my little girl don't understand (understand)
Why daddy can't afford no Christmas here

**If we make it through December
