

## Africa

Dah doot dah\_ doot dah doot doot dah\_\_\_\_ x2

I hear the drums echoing tonight  
But she hears only whispers of some quiet conversation (Dah doot dah doot dah doot doot dah)  
She's coming in twelve thirty flight  
Her moonlit wings reflect the stars that guide me towards salvation (Dah doot dah doot dah doot doot dah)

I stopped an old man along the way  
Hoping to find some long forgotten words or ancient melodies (Dah doot dah doot dah doot doot dah)  
He turned to me as if to say  
"Hurry boy it's waiting there for you." (Dah doot dah doot dah doot doot dah)  
Oh!

**It's gonna take a lot to drag me away from you (doo doo doo)**  
**Theres nothing that a hundred men or more could ever do**  
**I bless the rains down in Africa (doo doo doo)**  
**Gonna take some time to do the things we never had. Ooh**

Dah doot dah\_ doot dah doot doot dah\_\_\_\_ x2

The wild dogs cry out in the night  
As they grow restless longing for some solitary company (Dah doot dah doot dah doot doot dah)  
I know that I must do what's right  
Sure as Kilimanjaro rises like Olympus above the Serengeti (Dah doot dah doot dah doot doot dah)

I seek to cure what's deep inside (Doo doo doo doo doo doo)  
Frightened of this thing that I've become (Dah doot dah doot dah doot doot dah)  
Oh!

**It's gonna take a lot to drag me away from you (doo doo doo)**  
**Theres nothing that a hundred men or more could ever do**  
**I bless the rains down in Africa (doo doo doo)**  
**Gonna take some time to do the things we never had. Ooh**

**I bless the rains down in Africa x 4**

Even when nobody else believes  
That I'm not going down that easily
