

I Still Have Joy

I still have joy, I still have joy,
After all the things we've been through
I still have joy

I still have peace, I still have peace,
After all the things we've been through
I still have peace (G2: still have peace)

I still have hope, I still have hope
After all the things we've been through
I still have hope (G1: still have hope)

I still have faith, I still have faith
After all the things we've been through
I still have faith

I still have love, I still have love
After all the things we've been through
I still have love (G3: still have love)

I still have joy, I still have joy
After all the things we've been through
All the things we've been through
After all the things we've been through
I still have joy

All your life,
You were only waiting for this moment to arise.

Chorus

Chorus x4

Don't Worry About Me

I'll feel the fear for you
I'll cry your tears for you
I'll do anything I can to make you comfortable.
Even if I fall down
When you're not around
Don't worry 'bout me, don't worry 'bout me.

**'Cause if I fall, you'll fall
And if I rise we'll rise together.
When I smile, you'll smile,
And don't worry 'bout me, don't worry 'bout me.**

I'll feel the fear for you
I'll cry your tears for you
I'll do anything I can to make you comfortable.
Even if I fall down
When you're not around
Don't worry 'bout me, don't worry 'bout me.

I'll climb the hills you face
I'll do this in your place
I'd do anything to go through it instead of you.
But even if I fall down
When you're not around
Don't worry 'bout me, don't worry 'bout me.

**'Cause if I fall, you'll fall
And if I rise we'll rise together.
When I smile, you'll smile,
And don't worry 'bout me, don't worry 'bout me. x2**

**'Cause if I fall, you'll fall
And if I rise we'll rise together.
When I smile, you'll smile,
And don't worry 'bout me, don't worry 'bout me.**
