

## **Sing Together**

1: If I go before I say, to everyone in my ballet

2: Let me take this chance, to thank you for the dance

1 & 3: If I run out of songs to sing, to take your mind off everything

All: Just smile, sit a while with the

Sun on your face

and remember the place we met

Take a breath and soon I bet you'll see

Without you I would never be me

You are the leaves of my family tree

**Sing together**

**If you knew me from the very start,**

**Or we met last week at the grocery mart just**

**Sing together**

**It's the least that I can do**

**My final gift to you**

Ooo...

1: When I'm past the pearly gate, I will find some real estate

2: We can settle down, and watch the world go round

1 & 3: Send down all the love we got, and let them know we got a spot

1: For them to be

All: and it's all free,

The sun on your face and remember the place we met

Take a breath and soon I bet you'll see

Without you I would never be me

You are the leaves of my family tree

**Sing together**

**If you knew me from the very start,**

**Or not at all you're still a part, just**

**Sing together**

**It's the least that I can do**

**My final gift to you**

Ooo...
