

Make Me Smile

You've done it all, you've broken every code
And pulled the rebel to the floor (ba ba ba ba etc)
You've spoilt the game, no matter what you say
For only metal, what a bore!
Blue eyes, blues, (ooooh la la la, ooh la la la)
How can you tell so many lies? (oooooh la la la la)

chorus

**Come up and see me, make me smile
I'll do what you want, running wild.**

There's nothing left, all is gone and ran away
Maybe you'll tarry for a while (ba ba ba ba etc)
It's just a test, a game for us to play
Win or lose, it's hard to smile
Resist, resist (ooooh la la la, ooh la la la)
It's from yourself you'll have to hide.

Chorus

There ain't no more, you've taken everything
From my belief in mother earth (ba ba ba ba ba)
Can you ignore my faith in everything?
'Cause I know what faith is and what it's worth.
Away, away (ooh la la la, oooooh la la la)
And don't say maybe you'll try

ooh la la la, ooh la la la, oooooh la la la la

Chorus
