The Whole of the Moon

2+3 I pictured a rainbow
1+2 You held it in your hands

2+3 I had flashes
1+2 But you saw the plan

All I wandered out in the world for years
While you just stayed in your room

2+3 I saw the crescent
All You saw the whole of the moon
The whole of the moon

2+3 Oooh you were there in the turnstiles with the wind at your heels
You stretched for the stars and you know how it feels
To reach

All Too high, too far, too soon
You saw the whole of the moon

2 I was grounded
All While you filled the skies
2 I was dumbfounded by truth

All You cut through lies
I saw the rain-dirty valley

1+2 You saw Brigadoon

2+3 I saw the crescent
All You saw the whole of the moon
Doo doo doo patterns

1 Aaah..... 2. I spoke about wings

All You just flew

1 Aaah..... 2+3. I wondered, I guessed and I tried

All You just knew

1 Aaah.... 2+3. I sighed

All But you swooned
I saw the crescent
You saw the whole of the moon (1 ...ooooon)
The whole of the moon

1+2 With a torch in your pocket and the wind at your heels
You climbed on the ladder and you know how it feels to get

All Too high, too far, too soon
You saw the whole of the moon (1ooooon)
The whole of the moon

1 With unicorns and cannonballs, palaces and piers
Trumpets, towers and tenements, wide oceans full of tears 3. Doo doo (full pattern)

2 Flags, rags, ferryboats, saddlebags and scarves
Ev'ry precious dream and vision underneath the stars

1+2 Yes you climbed on the ladder

All With the wind in your sails
You came like a comet, blazing your trail
Too high, too far, too soon
You saw the whole of the moon

2. Doo doo doo, doo doo doo x31/2 3. Doo doo pattern (repeat 2nd half)

2. How on earth did you see the whole of the moon? x4

Make Me Smile

You've done it all, you've broken every code
And pulled the rebel to the floor (ba ba ba ba ba etc)
You've spoilt the game, no matter what you say
For only metal, what a bore!
Blue eyes, blues, (ooooh la la la, ooh la la la)
How can you tell so many lies? (oooooh la la la la)

chorus

**Come up and see me, make me smile
I'll do what you want, running wild.**

There's nothing left, all is gone and ran away
Maybe you'll tarry for a while (ba ba ba ba etc)
It's just a test, a game for us to play
Win or lose, it's hard to smile
Resist, resist (ooooh la la la, ooh la la la)
It's from yourself you'll have to hide.

Chorus

There ain't no more, you've taken everything
From my belief in mother earth (ba ba ba ba ba)
Can you ignore my faith in everything?
'Cause I know what faith is and what it's worth.
Away, away (ooooh la la la, ooooo la la la)
And don't say maybe you'll try

ooooh la la la, ooh la la la, ooooo la la la la

Chorus

Ain't No Stoppin Us Now

8 bars

Ain't No Stoppin Us Now
We're on the move!
Ain't No Stoppin Us Now
We got the groove! x2

GRP 1:

There's been so many things that's held us down.
But now it looks like things are finally comin' around.

GRP 3:

I know we've got, a long long way to go,
And where we'll end up,
I don't know!

GRP 2:

But we won't let nothin' hold us back,

GRP 1+3:

We're putting our selves together,
We're polishing up our act

GRP 2:

If you've ever been held down before,

GRP 1+3:

I know you'll refuse to be held down anymore!

Don't you let nothing, nothing,
Stand in your way!

I want you to listen, listen,

To every word we say, every word we say!

Ain't No Stoppin Us Now
We're on the move!
Ain't No Stoppin Us Now
We got the groove! x2

GRP 1:

I know you know someone that has a negative vibe,
And if you're trying to make it they only push you aside.

GRP 3:

They really don't have, no where to go.
Ask them where they're going,

They don't know!

GRP 2:

But we won't let nothin' hold us back,

GRP 1+3:

We're putting our selves together,
We're polishing up our act!

GRP 2:

And if you've ever been held down before,

GRP 1+3:

I know you'll refuse to be held down anymore!

Don't you let nothing, nothing,

Stand in your way,

I want you to listen, listen,

To every word we say, every word we say

Ain't No Stoppin Us Now
We're on the move!
Ain't No Stoppin Us Now
We got the groove! X2

Ain't No Stoppin Us Now!
