

I've Got The Music In Me

Ain't got no trouble in my life
No foolish dreams to make me cry
I'm never frightened or worried
I know I'll always get by
I heat up (heat up)
I cool down (cool down)
If something gets in my way I go round it
Don't let life get me down (don't let life get me down, down, down)
I'm gonna take life the way that I found it

I got the music in me x 3
I got the music in me x 3

They say that life is a circle
But that ain't the way that I found it
Gonna move in a straight line
Keeping my feet firmly on the ground
I heat up (heat up)
I cool down (cool down)
If something gets in my way I go round it
Don't let life get me down (don't let life get me down, down, down)
Catch a hold of my blues and just play them

I got the music in me x 3
I got the music in me x 3

Feel funky
Feel good
Gonna tell ya
I'm in the neighbourhood

Gonna fly like a bird on the wing
Hold on to your hat
Gotta sing, **sing, sing, sing, sing**

(heat up)
I cool down (cool down)
If something gets in my way I go round it
Don't let life get me down (don't let life get me down, down, down)
Catch a hold of my blues and just play them
