

# Christmas Lights

2: Christmas night, another fight  
Tears we cried a flood  
Got all kinds of poison in, of poison in my blood

All: Took my feet to Oxford Street  
Tryin' to right a wrong  
Just walk away those windows say  
But I can't believe she's gone

2: When you're still waiting for the snow to fall  
All: It doesn't really feel like Christmas at all

1: Up above candles on air flicker  
All: Oh they flicker and they float  
But I'm up here holding on to all those chandeliers of hope  
1: Like some drunken Elvis singing  
2: I go singing out of tune, Saying how -  
All: I always loved you darling, and I always will

2: Oh when you're still waiting for the snow to fall  
All: It doesn't really feel like Christmas at all

**Those Christmas lights light up the street  
Down where the sea and city meet  
May all your troubles soon be gone  
Oh Christmas lights keep shining on**

**Those Christmas lights light up the street  
Maybe they'll bring her back to me  
Then all my troubles will be gone  
Oh Christmas lights keep shining on**

P1: Whoh  
P2: Whoh

**Oh Christmas lights light up the street  
Light up the fireworks in me  
May all your troubles soon be gone  
Oh Christmas lights, keep shining on.**
