I'm Gonna Lift My Brother Up

I'm gonna lift my brother up, he is not heavy
I'm gonna lift my brother up, he is not heavy
I'm gonna lift my brother up, he is not heavy
If I don't lift him up
If I don't lift him up
If I don't lift him up
I will fall down

I'm gonna lift my sister up, she is not heavy
I'm gonna lift my sister up, she is not heavy
I'm gonna lift my sister up, she is not heavy
If I don't lift her up
If I don't lift her up
If I don't lift her up
I will fall down

I'm gonna lift my people up, they are not heavy
I'm gonna lift my people up, they are not heavy
I'm gonna lift my people up, they are not heavy
If I don't lift them up
If I don't lift them up
If I don't lift them up
I will fall down

We're gonna lift each other up, we are not heavy
We're gonna lift each other up, we are not heavy
We're gonna lift each other up, we are not heavy
If I don't lift you up
If you don't lift me up
If we don't lift us up
We will fall down

The Whole of the Moon

- 2+3 I pictured a rainbow
1+2 You held it in your hands
2+3 I had flashes
1+2 But you saw the plan
All I wandered out in the world for years
While you just stayed in your room
2+3 I saw the crescent
All You saw the whole of the moon
The whole of the moon
- 2+3 Oooh you were there in the turnstiles with the wind at your heels
You stretched for the stars and you know how it feels
To reach
All Too high, too far, too soon
You saw the whole of the moon
- 2 I was grounded
All While you filled the skies
2 I was dumbfounded by truth
All You cut through lies
I saw the rain-dirty valley
1+2 You saw Brigadoon
2+3 I saw the crescent
All You saw the whole of the moon
Doo doo doo patterns
- 1 Aaah..... 2. I spoke about wings
All You just flew
1 Aaah..... 2+3. I wondered, I guessed and I tried
All You just knew
1 Aaah.... 2+3. I sighed
All But you swooned
I saw the crescent
You saw the whole of the moon (1 ...ooooon)
The whole of the moon
- 1+2 With a torch in your pocket and the wind at your heels
You climbed on the ladder and you know how it feels to get
All Too high, too far, too soon
You saw the whole of the moon (1ooooon)
The whole of the moon
- 1 With unicorns and cannonballs, palaces and piers
Trumpets, towers and tenements, wide oceans full of tears 3. Doo doo (full pattern)
2 Flags, rags, ferryboats, saddlebags and scarves
Ev'ry precious dream and vision underneath the stars
1+2 Yes you climbed on the ladder
All With the wind in your sails
You came like a comet, blazing your trail
Too high, too far, too soon
You saw the whole of the moon
2. Doo doo doo, doo doo doo x3 1/2 3. Doo doo pattern (repeat 2nd half)
2. How on earth did you see the whole of the moon? x4
1. Doo doo (full pattern) 3. Doo doo pattern x1
1+3 (joining with 1) You see the whole of the moon?
